

Recorded Demo – e-Business Manager for Sage MAS 90 and 200

The e-Business Manager module provides an "out-of-the-box" yet customizable way to create an online store on your Web site without having to contract with expensive outside technical resources. Your customers can easily navigate your site for products and place orders, check status and re-order previous orders. The e-Business Manager module provides a powerful, attractive way to open up your sales on the Internet with the capabilities of your Sage MAS 90 and 200 systems integrated with the World Wide Web.
